

IMPROVE YOUR BUDGET!

Imagine working just the hours you choose in your own home.

You set up your home-office with all its advantages, your Coaching clients come to see you, you are working when and where you want. Sounds good? It is good. I've been living like this since 1990 and I wouldn't swap it for any other lifestyle thanks.

Once again this year, I am offering this one on one opportunity to enjoy the same lifestyle with...

MY 2010 GETACOACH TRAINING COURSE

1. Twenty five practical Coaching programmes for your clients.
2. How to set up your own home-based business including how to market yourself.
3. You are licenced to use my Copyright material developed over twenty years in my Coaching, and training seminars/workshops.
4. Your own 'Coaches Toolbox' containing laminated copies of the 32 key coaching programmes for you to offer your clients.
5. How to set up your own database of clients and capture them with your own website and online newsletter. (Your database is your goldmine!)
6. **You design your own timetable for covering the course within a 12-month time-frame.**
7. If you live outside of the Auckland area and don't wish to travel, I also conduct the course via phone and email.
8. Certificate of Recognition on completion of the training Course.

Enjoy all the benefits of a home-based business

1. Excellent tax advantages.
2. No commuter gridlock!
3. Pint-sized overheads.
4. No employment hassles.
5. No boring meetings!
6. Vehicle, insurance, rates deductions.
7. No time clocks.
8. Enormous fun.
9. Save on your wardrobe!
10. Time freedom.
